The amendment received 15 December 2005 has been made of record. Claims 3, 7, 8 12, 13 and 15-20 are pending.

Claims 3, 7, 8 12, 13 and 15-20 are rejected under 35 U.S.C. 102(b) as being anticipated by Takagishi et al.

This rejection is maintained for reasons of record.

Applicants' have argued that amended claim 3 is intended to exclude amino-containing vinyl monomers and hydroxyl-containing vinyl monomers as taught by the reference. It is not seen how the language of claim 3 excludes these monomers.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
